Poštovani i dragi autokarikaturisti,

čast mi je i zadovoljstvo izraziti vam dobrodošlicu na 13. međunarodni zagrebački salon autokarikature! Kao što je već poznato, Salon se već poslovično održava povodom obilježavanja obljetnice pojavljivanja prvog automobila u Hrvatskoj, sad već 121., stoga mogu ponoviti da smo bili i ostali dosljedni kao perpetuum mobile ostvarujući zagrebačkim ciklusom autokarikature analogiju upravo s automobilskim motorom i njegovim beskonačnim kretanjem. Osim toga, premda je uvriježeno mišljenje da je najteže prihvatiti šalu na svoj račun, vjerujem da će se ponirući u ovogodišnju temu mnogi karikaturisti našaliti upravo sami sa sobom, ostvarujući tako autokarikaturu u svakom smislu. Od prvih dana automobil je sastavnim dijelom naše svakodnevice, on je prisutan u svim sferama našeg života i rada i već samim time pruža obilje situacija koje karikaturisti mogu interpretirati na bezbroj samo sebi svojstvenih načina. Karikatura je jedinstvena po tomu što na duhovit način ponire u samu srž odabrane teme, a ove godine siguran sam da će humor biti i opasno zapaljiv jer je tema ovogodišnjeg Salona BENZINSKE POSTAJE! Budući da su Zagreb i Hrvatska pronašli svoje mjesto na svjetskoj karti međunarodnih izložbi karikature zahvaljujući prepoznatljivoj, stalnoj, originalnoj i sveprisutnoj temi Auto naš svagdašnji, dosadašnjim organizatorima čestitam na upornosti i kreativnosti. Ove godine na organizaciji osobito želim zahvaliti Centru za kulturu i informacije Maksimir, koji je u suradnji s gospodinom Ivicom Palatinušom, autorom projekta, i tvrtkom HUNA d.o.o., ove godine preuzeo organizaciju te uspješno realizirao ovaj važan i vrijedan projekt koji je doprinio prepoznatljivosti Zagreba u svjetskim karikaturističkim krugovima. Vama, drage natjecateljice i dragi natjecatelji, iznad svega želim puno smijeha i dobre zabave, a nagrade neka ponovno uzmu najbolji autokarikaturisti! Svim sudionicima želim ugodan boravak u Zagrebu,

gradonačelnik Grada Zagreba
Milan Bandić

Dear respected artists,

It's a great honor and pleasure to welcome you to the 13th International Zagreb fair of caricature. As previously mentioned, the fair is held in respect of the 121th anniversary for the first appearance of motor vehicles in Croatia. In regards to this fact, we can state that we mimicked an perpetuum mobile with consistent correlation between our fair and the constant turning of the motor engine. Although the hardest part of the caricature is to accept the humor when it is directed to oneself, I am confident that this will be achieved by all the artists. Cars are omnipresent, an integral part of our lives and that alone is enough to make it a great resource for potential art work. The caricatures are a special format that can reach the target and the essence of the subject, and this year we expect it to be especially flammable since the main subject of the fair is "Gas station". As Croatia and Zagreb have found their place on the world map of international fairs in caricatures thanks to the original and popular theme "Our everyday car", I will use this opportunity to congratulate the organizers for their persistent and creative efforts. This year I especially want to give thanks to the Center for culture and information Maksimir, which in cooperation with Mr Ivica Palatinuš, the author of the project and the company HUNA doo managed to deliver this important and valuable project which contributes greatly to the potential of the city and the recognition of Zagreb in the field of caricature. To my dear participants, above all I wish a lot of laughs and good fun, and may the best caricaturists win the rewards. I wish a pleasant stay in Zagreb to all,

Mayor of the city of Zagreb,
Milan Bandić

Zadovoljstvo mi je u ime organizatora CKI Maksimir potvrditi da je tema ovogodišnjeg Salona auto-karikature iznova privukla brojne karikaturiste iz cijeloga svijeta. Sudeći po broju pristiglih radova na temu Auto naš svagdašnji: Benzinske postaje, možemo zaključiti da je grad Zagreb domaćin još jedne kulturne manifestacije na koju trebamo biti izrazito ponosni.

Na međunarodni natječaj prijavilo se 252 autora i autorica iz 55 zemalja, a ukupno je pristiglo 420 radova. Niti ove godine nije nedostajalo radova koji dozom humora i ironije opisuju situacije iz svakodnevnog života u kojima će se mnogobrojni prepoznati. Iako će vas neki radovi potaknuti na razmišljanje, velika većina ipak će izmamiti osmijeh na vaša lica, a poneki vas i nasmijati do suza. Međunarodni zagrebački salon auto-karikature održava se uz pokroviteljstvo gradonačelnika Grada Zagreba gospodina Milana Bandića i potporu Gradskog ureda za kulturu te im ovom prilikom još jednom želimo zahvaliti na kontinuiranoj podršci kroz sve ove godine.

Zahvalu želimo uputiti članovima stručnog žirija koji su pažljivom selekcijom prepoznali i izdvojili najbolje i nagrađene radove. Iskrene čestitke svim nagrađenim autorima, dobitnicima priznanja i pohvala, a karikaturistima svih zemalja zahvaljujemo na sudjelovanju i kreativnosti koju su pokazali u svojim radovima.

Budući da se pokazalo da su teme vezane za svijet automobila neiscrpane, sa sigurnošću mogu reći doviđenja do 14. Salona auto-karikature.

Ravnatelj CKI Maksimir
Goran Jerković

It is my pleasure to confirm that the subject of this year's event has attracted many artists from all around the world. Considering the number of art works submitted in regards to the topic "Our everyday car: gas stations", we can come to the conclusion that the City of Zagreb hosts an cultural exhibition that makes us all proud.

252 artists from 55 countries submitted 420 artworks to the fair. There was no shortage of good humor and irony in artwork describeing every day situations, to which all of us can rely to. Although some of the works will make you think about the world, most will make you happy and some will bring you to tears of laughter.

The International Zagreb fair of auto caricature is held under the direct support of the Major of Zagreb Mr. Milan Bandić and the City of Zagreb culture administration office, and I would like to use this opportunity to thank them for the continued support all these years.

I also want to give thanks to all members of the choosing board, who with their careful attention identifyied and rewarded the best artworks. All the gratitude goes to the rewarded artists, all recommended artists and to all applicants from many different countries we wish to thank for their creativity and participation.

Since the theme related to the automotive world are endless I can safely say : until next time, until the 14th Fair.

Responsible CKI Maksimir
