Poštovani i dragi auto-karikaturisti,

čast mi je i zadovoljstvo izraziti vam dobrodošlicu na 14. Međunarodni zagrebački salon auto-karikature! Ovogodišnji Salon održava se u povodu obilježavanja već 122. obljetnice pojavljivanja prvog automobila u Hrvatskoj, stoga i ove godine mogu reći da smo bili i ostali dosljedni kao perpetuum mobile, ostvarujući zagrebačkim ciklusom automobilske karikature analogiju upravo s automobilskim motorom i njegovim beskonačnim kretanjem. Osim toga, u trenutku kad cijeli svijet trpi zbog pandemije koronavirusa, a naš voljeni Zagreb također zbog posljedica velikog potresa, ovaj je Salon prava zraka svjetlosti koja nam obiljem svoga humora i pozitivne energije daje nadu da ćemo pobijediti sve izazove. Automobilska karikatura još jednom dokazuje da posjeduje neiscrpne mogućnosti interpretacije svakodnevice, jer automobil doista je prisutan u svim sferama našeg života i rada te već samim time pruža obilje situacija koje karikaturisti mogu obraditi na bezbroj samo sebi svojstvenih načina. A ove godine kao da se i tema odlučila ljutiti na aktualnu situaciju u svijetu, stoga su karikaturisti morali pokazati kako oni doživljavaju BIJES NA CESTI! Budući da su Zagreb i Hrvatska pronašli svoje mjesto na svjetskoj karti međunarodnih izložbi karikature zahvaljujući prepoznatljivoj, stalnoj, originalnoj i sveprisutnoj temi – automobilu, autoru projekta g. Ivici Palatinušu i organizatoru Centru za kulturu i informacije Maksimir čestitam na upornosti i kreativnosti. Međunarodni zagrebački salon auto-karikature doista je važan i vrijedan projekt koji je doprinio prepoznatljivosti Zagreba u svjetskim karikaturističkim krugovima. Vama, drage natjecateljice i dragi natjecatelji, iznad svega želim puno smijeha i dobre zabave, a nagrade neka ponovno uzmu najbolji auto-karikaturisti!

Gradonačelnik Grada Zagreba
 Milan Bandić

Respected and dear car caricaturists,

it is my honor and pleasure to welcome you to the 14TH Zagreb International Salon of Car Caricatures! This year's Salon is taking place to mark the 122ND anniversary of the first car in Croatia, so I can say we were and remained consistent this year as a perpetuum mobile, achieving with the Zagreb cycle of automobile caricatures an analogy precisely with the car engine and its endless motion. Furthermore, in a moment when the whole world is suffering due to the coronavirus pandemic, and our beloved Zagreb also from the effects of the large earthquake, this Salon is a true ray of light whose plentiful humor and positive energy gives us hope we will overcome all challenges. Car caricature has once again proved to possess inexhaustible possibilities of interpreting the everyday, since the automobile is truly present in all aspects of our lives and work, and that alone provides an abundance of situations caricaturists can interpret in countless distinctive ways. And it seems this year's theme decided to be mad at the world's situation too, so caricaturists were tasked with showing how they experience ROAD RAGE! Since Zagreb and Croatia have found their place on the world map of international exhibitions of caricatures thanks to the recognizable, constant, original and omnipresent theme – the automobile, I congratulate the author of the project Mr Ivica Palatinuš and the Centre for Culture and Information Maksimir for their persistence and creativity. The Zagreb International Salon of Car Caricatures truly is an important and valuable project which has contributed to putting Zagreb on the map of world caricatures. To you, dear competitors, I wish, above all, lots of laughter and good fun, and may the best car caricaturists once again win the awards!

The Mayor of the City of Zagreb
 Milan Bandić

Čast mi je i zadovoljstvo u ime organizatora CKI Maksimir potvrditi da je tema ovogodišnjeg 14. Međunarodnog zagrebačkog salona auto-karikature iznova privukla brojne karikaturiste iz čitavoga svijeta. Svijet motornih vozila, zгода i nezgoda na cesti nesumnjivo nastavlja inspirirati talentirane autore i poticati ih na daljnje stvaralaštvo. Sudeći po broju pristiglih radova na temu Bijes na cesti, među kojima je jedan bolji od drugoga, možemo zaključiti da je grad Zagreb i ove godine domaćin još jedne jedinstvene kulturne manifestacije na koju bismo trebali biti izrazito ponosni. Emocije nas pokreću, one nam obogaćuju život i čine ga zanimljivijim, bile one pozitivne ili negativne. Svatko od nas se zasigurno svaki dan susreće s pregršću emocija u prometu bilo svojih, bilo tuđih i naposljetku zaključuje kako je sve to ipak bilo malo – smiješno. Takva tema iz svakodnevnog života s kojom se svatko može poistovjetiti s razlogom je pobudila interes autora, pa se tako na međunarodni natječaj na temu Bijes na cesti prijavilo čak 355 autora i autorica iz 58 zemalja, a ukupno je pristiglo 566 radova. Automobilske karikature i ove su godine prožete britkim humorom i situacijskom ironijom koji će vas potaknuti na razmišljanje, ali će vam jednako tako izmamiti osmijeh na lica i nasmijati vas do suza. Naš i vaš 14. Međunarodni zagrebački salon auto-karikature održava se uz pokroviteljstvo gradonačelnika Grada Zagreba gospodina Milana Bandića i potporu Gradskog ureda za prostorno uređenje, izgradnju Grada, graditeljstvo, komunalne poslove i promet i Gradskog ureda za kulturu, te im ovom prilikom još jednom želimo od srca zahvaliti na kontinuiranoj podršci koju su nam pružili kroz sve ove godine. Zahvalu želimo uputiti članovima stručnog žirija koji su pažljivom i znalačkom selekcijom ponovno prepoznali i izdvojili najbolje i nagrađene radove. Iskrene čestitke upućujemo svim nagrađenim autorima, dobitnicima priznanja i pohvala, a talentiranim karikaturistima svih zemalja zahvaljujemo na sudjelovanju i kreativnosti koju su pokazali u svojim radovima i nasmijali nas i ove godine. Budući da se pokazalo da su teme vezane za svijet automobila i doživljaja u prometu doista neiscrpan izvor nadahnuća, sa sigurnošću mogu reći doviđenja do idućeg susreta, do nadolazećeg 15. Međunarodnog zagrebačkog salona auto-karikature.

Ravnatelj CKI Maksimir
Goran Jerković

It is my honor and pleasure to confirm in the name of the organiser, CKI Maksimir, that the theme of this year's 14TH Zagreb International Salon of Car Caricatures has once again attracted numerous caricaturists from all over the world. The world of motor vehicles and the many adventures of the road undoubtedly continue to inspire talented authors and encourage them to further creativity. Judging by the number of received works on the topic of Road rage, with one better than the other, we can conclude that the city of Zagreb is once again hosting another unique cultural manifestation which we should be extremely proud of. Emotions move us, they enrich our lives and make them more interesting, whether they are positive or negative. Each of us undoubtedly faces a handful of emotions in traffic every day, whether our own or someone else's, and we ultimately conclude it is all in the end a bit — funny. Such an everyday topic everyone can relate to, piqued the interest of authors with reason, and the international competition with the theme Road rage attracted 355 authors from 58 countries, with a total of 566 works. This year's car caricatures are once again imbued with sharp humor and situational irony which is thought-provoking, but will also make you smile and laugh. Ours and yours 14TH Zagreb International Salon of Car Caricatures is sponsored by the mayor of the City of Zagreb, Mr Milan Bandić, and supported by the City Office for Physical Planning, Construction of the City, Utility Services and Transport, and the City Office for Culture, and we wish to thank them once again for their continued support though all these years. We wish to thank the members of the jury who have once again recognized and chosen the best and awarded works through careful and expert selection. We extend our sincere congratulations to all the awarded authors, winners of acknowledgments and special recognitions, and thank the talented caricaturists from all the countries for participating and the creativity they have shown in their works, and for making us laugh once more. Since the themes from the world of cars and traffic have proven to be a truly inexhaustible source of inspiration, we can surely say: until our next meeting, the upcoming 15TH Zagreb International Salon of Car Caricatures.
